THREE WAYS WENDY WORKS

THREE LEVELS OF PERFORMANCE INTERVENTION

Each program is designed to be entered at the appropriate level. Most organisations begin with a Performance Audit. Wendy will guide you to the right starting point during a complimentary discovery call.

01	PERFORMANCE AUDIT	3 DAY PROGRAM
02	RED BUTTON SCENARIO	2 WEEK · RECOMMENDED
03	THE SKILLET	12 MONTH PROGRAM

01

PERFORMANCE AUDIT

3 DAY PROGRAM

An initial assessment where Wendy observes and analyses team dynamics and individual behaviours, **potentially undercover ("mystery shopping")**, to gain unbiased, unfiltered insights into how your organisation actually operates under normal conditions.

WHAT'S INCLUDED

- » 3 Day observation and analysis on site
- » Research and analysis of team behavioural patterns
- » Individual behaviour mapping and performance profiling
- » Team dynamics assessment and friction identification
- » Comprehensive feedback report delivered to leadership

RECOMMENDED

RED BUTTON SCENARIO

COMPREHENSIVE 2 WEEK AUDIT

A deliberate, high stress scenario designed with the CEO to observe real time team and individual responses under significant pressure. Baseline behaviour is profiled first, then measured against performance during the staged high stress event. **The gap between those two states is where the real intelligence lives.**

WHAT'S INCLUDED

- » Includes full 3 Day Performance Audit (research and analysis)
- » Red Button Scenario design and execution (in collaboration with CEO)
- » Baseline behaviour profiling vs. high stress response comparison
- » Full 2 Week observation period
- » One on one executive meeting with key leadership
- » One team workshop, targeted to findings
- » Overarching performance intelligence report delivered
